

II. Remarks

In response to the Examiner's objections that the claims previously filed are considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121 or 1.4, specifically that the claims have not been provided with the proper status identifier, the Applicant has amended the listing of claims to include the correct status identifiers. In particular, the identifier "Previously Cancelled" is replaced by "Cancelled"; and the text of cancelled claims is removed. The Applicant is thus resubmitting the complete listing of the claims with the correct status identifiers. It is believed that the above remarks and amendments submitted herein have placed this present application in condition for allowance, and a Notice thereof is respectfully requested.

If the Examiner has further concerns, he is encouraged to contact Applicant's undersigned agent at 416-862-5750. All correspondence should continue to be directed to listed address shown below.
